

duty in some appropriate capacity, as determined by the Secretary of the Military Department concerned. (In no case shall any such member be required to serve on active duty for any period in excess of a period equal to the period he participated in the program, except that in no case may any such member be required to serve on active duty less than one year.); or

(2) Waiving the individual's incurred service obligation, if that action would be in the best interests of that Service. (Such relief, though, shall not relieve the individual from any other active-duty obligation imposed by established law.) Individuals whose service obligation is waived may, at the discretion of the Secretary of the Military Department concerned, be required to reimburse the Government for all or a part of the tuition and other educational costs incurred. However, a member of the program may not be relieved of his Service obligation solely because he is willing and able to reimburse the Government for all educational expenses.

(g) Periods of time spent in sponsored graduate medical education shall not count toward satisfying the medical school Federal-duty obligation.

§ 242.5 Admission procedures.

(a) *Application*—(1) *Civilians*. Civilians seeking admission to the School of Medicine shall make direct application following instructions published in the School catalog. These applications shall include an indication of Service preference(s).

(2) *Military personnel*. Formal application requirements shall be the same as those for civilians except that military personnel shall be required to have approval, in writing, from the Secretary of the Military Department concerned or his designee prior to submitting formal application to the School of Medicine for admission. The individual concerned shall initiate the request for approval to apply through appropriate Service channels. The Secretaries of the Military Departments, or their designees, shall consider the criteria in § 242.4(a) (1) through (5) and paragraph (a)(8) of that section as the basis for approving/disapproving such requests. An information copy of each approval

shall be forwarded to the School of Medicine, USUHS, Attn: Assistant Dean for Academic Support. The School of Medicine shall not process a military person's application until official approval is received from the Military Department concerned.

(b) *Conditional selection of candidates for admission*. The School of Medicine shall review all applications and conditionally select candidates to fill available class spaces. Those conditionally selected shall be the best qualified applicants, based on aptitude, intelligence, maturity, personality, emotional stability, diligence, stamina, enthusiasm, motivation, and other relevant factors, consistent with the practices followed by other professional training institutions.

(1) *Civilian selectees*. The School of Medicine shall ensure that civilian selectees meet the eligibility criteria in § 242.4(a) (1) through (4), paragraph (a) (6) and (7) of that section.

(2) *Military selectees*. Military Departments are required to screen and approve their personnel for criteria in § 242.4(a) (1) through (5), and paragraph (a)(8) of that section before they apply for admission. The School of Medicine shall ensure that all military selectees meet the eligibility criteria of § 242.4 (6) and (7).

(c) *Notification of conditional selection for admission*. The School of Medicine shall notify selectees in writing of their conditional selection for admission, with the stipulation that it is subject to review and confirmation by the Service in which selectees are assigned to serve.

(d) *Confirmation of selectees*. (1) The names and relevant credentials of selectees shall be referred by the School of Medicine to the Secretaries of the Military Departments or their designees. An informational copy of this action will be provided to the Assistant Secretary of Defense Health Affairs.

(2) The Secretaries, or their designees, shall initiate necessary actions (records checks, physical examinations, and National Agency Checks, as required, consistent with § 242.4(a)(5)) to determine whether or not the selected candidates are acceptable for

commissioning. (Physical examinations for military personnel, if required, shall be performed at the individual's supporting military medical facility and reviewed by the Department of Defense Medical Examination Review Board (DoDMERB). Physical examinations for civilians shall be scheduled and reviewed by the DoDMERB, in accordance with the procedures and policies that agency establishes.) Secretaries of the Military Departments, or their designees, shall advise the School of Medicine as to the acceptability for commissioning of candidates within 45 days of receipt of referral lists, furnishing reasons for those found nonacceptable.

(e) *Notification of acceptance for admission.* As soon as candidates are approved for commissioning by their appropriate components, they shall be advised in writing by the School of Medicine that they are unconditionally accepted for admission.

§ 242.6 Central point of contact.

The Assistant Dean for Academic Support, USUHS, is designated as the central point of contact for matters pertaining to the admission procedures outlined in § 242.5.

§ 242.7 Responsibilities.

(a) The President of the University shall:

(1) Develop and prescribe formal application procedures for admission to the School, consistent with the provisions of this part.

(2) Select candidates for admission to the School of Medicine in accordance with the policies and procedures prescribed in this part.

(3) Coordinate, as required, with the Military Department Secretaries or their designees to ensure the proper administration of the admissions process.

(4) Monitor, review, and evaluate the admissions process to assure its effectiveness and efficiency operationally, and make recommendations as required for the revision of the policies and procedures herein set forth.

(b) Secretaries of the Military Departments shall:

(1) Approve/disapprove requests of military personnel who want to apply

to the School of Medicine, as prescribed herein.

(2) Carry out confirmatory requirements and ensure that the suspense for accomplishing these actions is met.

(3) Designate a representative in their respective areas to be responsible for overseeing and coordinating confirmatory action requirements. (Names of designees and any changes in designations shall be furnished to the President of USUHS.)

(4) Ensure coordination of proposed implementing regulations with the President, USUHS.

(c) Assistant Secretary of Defense Health Affairs shall determine, in coordination with the Secretaries of the Military Departments and the President, USUHS, the number of spaces in each entering class to be allocated to the respective components.

(d) Director, DoDMERB, shall:

(1) Establish necessary policies and procedures, in coordination with the Military Departments, for scheduling and reviewing physical examinations for civilian selectees, and reviewing examinations for military selectees.

(2) Review and take final action on any requests for waiver of physical standards for admission to the School.

§ 242.8 Academic, intellectual, and personal requirements for admission to the first-year class.

Admission to the School of Medicine of the Uniformed Services University of the Health Sciences is on a competitive basis, with selection predicated on:

(a) Evidence of sound character and high motivation for a career in the Medical Corps of the Uniformed Services, and

(b) Evidence of sufficient intellectual ability and preparation to undertake successfully the study of medicine.

(1) *Academic requirements.* Recognizing that Service medicine needs individuals with a wide variety of interests and talents, the School of Medicine welcomes applications from individuals with a diversity of educational backgrounds. However, there are certain specific academic requirements that are requisite for admission. These are as follows:
